INFORMATION

GLUTEN:

This is found in the flour and the wheat products we use i.e. baking powder and rusk.

MILK:

This is present in the glaze.

SULPHUR DIOXIDE:

This is present in the wine (steak & claret pies only). SO² occurs naturally in gelatine (pie gravy) and is not added as a preservative (pork, beef, pork & black pudding pies only). It is also present in the Bramley apple used in the pork & apple pies.

CELERY:

This is present in the chicken sauce mix used to thicken the mix of chicken & mushroom - only in this pie.

MUSTARD:

This is found in the curry sauce mix.
